AUDIENCE QUOTES

'Dare to Claim the Sky' is probably one of the most powerful shows I have ever seen. It was apparent that Sharon was letting her audience into her heart, mind and life. I laughed, cried, and was motivated by her story. Nothing short of phenomenal! An absolute must see for everyone!

Dare to Claim the Sky is a brave and beautiful performance full of honesty and heart. I was profoundly moved by Sharon's poetry and performance, and even more so by her candor in sharing her story. I brought a friend with me to the performance and urged everyone I knew not to miss the show while it was running - Sharon's stories and poems truly are a gift to us all.

As a young teenager, who loves to learn especially through words & language, I can say I've learned a lot from you. Your story is mind-blowing! You have a way with your words which is an amazing gift! Thank you.

--Much love

I really love your work. Recently, I've been having a hard time being happy and I always ask myself, "Why don't the things that I used to like make me happy anymore?" When you talked about that in your poetry it was really inspiring and it felt good to know I'm not the only one.
